

WEBSITE DESIGN ASSIGNMENT

Course: ART 3113 Website Design
Instructor: Maxx Crawford
Assigned Date: Monday, January 31

ASSIGNMENT:

Inspiration Website Recreation and Prototype

OBJECTIVE:

Recreate three pages from assigned website within the Adobe XD application. Please link these pages within the prototype to mimic a live site environment.

During this project you'll learn how to pull assets and information out of websites.

DELIVERABLES:

- A design file created in Adobe XD. A link to an interactive prototype in Adobe XD or Invision.
- A URL link to a prototype created in Adobe XD or InVision

TECHNICAL REQUIREMENTS:

- Adobe XD .XD File
- Artboard Dimension: 1440px wide

Note – If a font is used on the site that you do not have access to, substitute the font as necessary.

TIMELINE/DUE DATE:

Monday, February 5 – Beginning of Class
