WEBSITE DESIGN ASSIGNMENT

ASSIGNMENT:

Mobile Website Recreation and Prototype

OBJECTIVE:

Recreate the home page and navigation from assigned website within the Adobe XD application. Please link these pages within the prototype to mimic a live site environment.

During this project you'll learn how to pull assets and information out of websites.

DELIVERABLES:

- A design file created in Adobe XD
- A URL link to a prototype created in Adobe XD or InVision

TECHNICAL REQUIREMENTS:

- Adobe XD *.XD* File
- Artboard Dimension: Mobile
  - iPhone X (375x812)
  - iPhone 6/7/8 Plus (414x736)
  - iPhone 6/7/8 (375x667)
  - iPhone 5/SE (320x568)
  - Android Mobile (360x640)

Note – If a font is used on the site that you do not have access to, substitute the font as necessary.

TIMELINE/DUE DATE:

Monday, February 12 – Beginning of Class
